Dear Students & Guardians

The idea of education is not just to produce academicians but also to develop humane and sensitive citizens. At Annapurna Vinayak School/College, we ensure that a genial environment for learning is maintained by providing ample opportunities to students for their development of personal and interpersonal skills.

Our faculties are well qualified & share a passion for teaching, there by bringing out the best in both themselves and their students. We enlighten our students in contemporary models of learning while giving them a solid foundation in cultural insights of the world.

We ensure all students a culture of learning where they are free to express and/or share their interest in variety of domains while developing their character as well. Delayed gratification, integrity, civic consciousness and willingness not to give up are the core values that we seek to inculcate in our students. With extra-curricular classes, we emphasize on communication, skills and activities to foster cultural understanding so that the students can emerge as elucidated and responsible citizens of the globe.

We strongly believe that guardians' role in collaborating for the betterment of students is paramount. Hence, we are committed to inculcating mutual respect and establishing continuous communication between guardians, faculties and administration.

We encourage our students to embark on difficult and challenging journeys that stretch their potential. The leaders and personnel are deeply committed to making our students' learning experience exciting and elucidating.

Dr. Shiv Narayan Yadav

Associate Professor, T.U.

Message from the Principal

Dear Students

We are overwhelmed to welcome you to our school/college. Our students enjoy coming to school each day as they are cared for and supported in their learning. Faculties recognize and know them and their potentials. Besides, they allow them to develop the confidence required to embrace the challenges skillfully and carefully placed before them.

We are proud of our students since they respect and stay obliged to abiding by the rules and regulations of the institution. We pride in their endeavors for excellence as exhibited in numerous forms.

Wellbeing is at the apex of everything cultivated and grown through helping each student positively and mutually for courteous relationships, both with their peers and faculties.

We emphasize on continual self improvement and encourage students to explore, follow their curiosity and be creative in their thinking. Our teachers are experts in being responsive to each student's needs, providing very individual feedback to enable them to embrace the next step in their learning.

Scholars are provided with extensive opportunities to flourish and find their 'element' through broad, rich academic and co-curricular programs. We invite the aspirants to help us reach the peak of academic excellence.

Dr. Bidur Parajuli

About Annapurna Vinayak School/ College

Annapurna Vinayak School (AVS) established in 2046 B.S. is affiliated to National Examination Board (NEB), Nepal. More than 800 students are studying in secondary level. AVS offers programs in Science, Management and Law in Higher Secondary (+2) Level. A dynamic and proactive team of competent and committed faculties are the integral part of the institution. Their experience and qualifications ensure the quality of education as sought after in the competitive world. The students from any corner of the Kathmandu Valley can reach AVS College as it is in the prime location.

Besides, the institution is operated and led by a passionate team of renowned and experienced university intellectual and academicians. Both quality and excellence in education will always remain the priorities.

Why Choose AVS?

- Qualified, experienced and dedicated faculties
- Quality education for personality and capacity development in a friendly milieu
- Various curricular and co-curricular activities
- Well-furnished classrooms, laboratories, library and cafeteria
- Spacious ground for sports and extra activities
- Career counselling and development
- Individual care and mentoring

Teaching Methodology

Lectures / Interactive Classes

Well-planned and systematic lectures using multimedia enhance the teaching-learning process.

Practical

A curriculum based on practical activities is implemented.

Sports

Sports are required for a healthy body, mind, and spirit among the students.

Social Responsibility Learning

Community-based social activities are mandatorily applied.

Regular Exam

Chapter-wise tests, unit tests, and term exams are carried out to evaluate students' performances.

Field Visit

Subject-related field visits are undertaken by each student to internalize the theoretical knowledge.

Facilities

Library

AVS has a well-stocked library with text books, reference books, entrance preparation books, story books, magazines, journals, newspapers, question banks, and audio-visual materials.

Transportation

AVS provides proper transportation to the students inside the Kathmandu Valley.

Laboratories

AVS has well-equipped and comfortable laboratories for the students of physics, chemistry, biology, and computer science.

Student Council Club

It acts as a bridge between the students and the college administration to sort out their problems. It also coordinates with other clubs to conduct various activities at the college.

Cafeteria

AVS provides hygienic food items with choices, including vegetarian and non-vegetarian items, at a reasonable cost. The cafe is neat, clean, and well managed.

Hostel Accommodation

AVS has properly operated separate hostels for boys and girls. They ensure a family environment and offer the opportunity for extra tuition classes with individual care as well.
